"SHARIF" JOURNAL OF SCIENCE AND TECHNOLOGY
EDITOR-IN-CHIEF: ABOLHASSAN VAFAI

"Sharif" is published under the auspices of the Vice-President of
Research at Sharif University of Technology, Tehran, I.R. Iran.

The journal, published quarterly in the Farsi language, aims at
establishing a relationship between scientists active in different
branches of science and technology and, in particular, at providing
a forum for exchange of knowledge between scientists and technologists related
to scientific problems prevailing in contemporary society. The journal
also strives to present practical and theoretical analyses of these
issues and facilitates the circulation of modern scientific findings by
scientists and researchers for practical application. In addition,
"Sharif" publishes papers focusing on issues of specific concern to
universities, including research, technological advancements, and
topics related to matters of higher education.
